Mira Welnowska at the RoundTable Tuesday, March 10th, 7:30pm

Come join us on Tuesday, March 10th at 7:30pm for a very informative evening in which Mira Welnowska will share her sculptural process from choice of materials, through to the creation of the face and casting; constructing the head mass, cutting the eye sockets, developing the sides of the nose, building the planes of the mouth, defining the jawbone, adding hair mass, and refining facial features.

A member of Salmagundi since 1999, Ms Welnowska has studied at the Pennsylvania Academy of Fine Art, the New York Academy of Figurative Art, the Art Students League of New York and the Academy of Art University in San Francisco, California.
