Center for American Art Since 1871

The Salmagundi Club is one of the oldest professional art societies in America. The mission of Salmagundi is to inspire originality in the artists and patrons among its members and to advance art of all types. Included in this objective is the aim of encouraging the appreciation of art by the public through all available means – education, exhibits, demonstrations, and lectures – providing a place for artist members where they can meet on a professional level.

Mission Statement:

The Salmagundi Club, as a center for American Art, is a tax-exempt, educational, and charitable organization. Housed in an historic building that is ideally located on Fifth Avenue and Twelfth Street, at the nexus of Soho, Chelsea, and the Village, Salmagundi offers year-round programs including frequent art exhibitions, lectures, art classes, and demonstrations for members, their families, and friends.

As an Artist Member you have numerous opportunities throughout the year to exhibit your work, including the Spring and Fall Auction Exhibitions, that are mutually beneficial to the artist and the Club.

At Salmagundi, creators of art and friends of art come together for enjoyment, relaxation, and social activities, bound by a shared pleasure in the traditions of American Art.

Hours of admission to the public:
Monday through Friday from 1:00 to 6:00 PM - Saturday & Sunday 1:00 to 5:00 PM free of charge.

MEMBERSHIP APPLICATION

Dear Applicant,

Salmagundi was founded in 1871 by a group of visionary painters and sculptors who saw that it was vitally important to help the broader American public toward a greater appreciation of art. The founders organized exhibitions and invited gallery owners and art collectors to view their different styles of painting. As the 19th century closed, Salmagundi played a leading role in acquainting Americans with the Impressionist movement that had been created in France where many Salmagundians had gone to study.

The tradition continues with year-round exhibitions that are free of charge to the public. These exhibitions typically include in excess of one-hundred works of art in varying media, including but not limited to painting, sculpture, and photography. The majority of our exhibitions are juried with the works available for sale within the not-for-profit framework.

The camaraderie for which Salmagundi is famous also extends into the social sphere. Dining at reasonable cost, entertaining and educational events, as well as other activities abound within our walls. The nostalgic atmosphere of old New York is palpable as one enters the doorway at 47 Fifth Avenue.

To become a member, complete the attached form and submit it with your check for \$200 covering your application fee. Please make your check out to "The Salmagundi Club." Keep in mind that if you wish to enter as an "Artist" membership candidate, you must submit 8-10 samples of your work. Careful consideration will be given to your application and because of this, we ask for your patience as this process could take several months.

Sincerely,
Salmagundi Club
